Headline:
Damp and murky overnight and Tuesday, but brighter on Wednesday.

This Evening and Tonight:
Remaining cloudy and rather damp this evening with low cloud, mist and hill fog. Occasional rain and drizzle in places, especially at first. Staying generally mild under the cloud, but turning locally chilly in any clearer periods across Cumbria. Minimum temperature 4 deg C (39 deg F).

Tuesday:
Low cloud, mist and hill fog at first, but slowly improving with the odd brighter period developing. Rain arriving in Cumbria around dusk, then moving southeast through the evening. Mild. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Breezier and cooler on Wednesday, but bright with sunny spells and isolated showers. Cloudier and milder on Thursday and Friday; some bright spells, but also occasional drizzle over the hills.
